Legislation – We have attempted to contact Ann Larson to set up a meeting, but have not been able to meet. We are scheduled for January 12 at 1:00-1:30. Dave Puki, Norm Reinhardt, and Gregg Williams Hatchery Evaluation – Met last fall. More around supporting from strategy and decision-making. Ryan stated about ½ non-PSRFE is laid out. Broodstock template to expand to other levels. CWT evaluation will include treaty and other non-treaty contribution rates in whole numbers. Erik Anderson, Mike Gilchrist, Dave Knutzen, Brett Roson, Steven Chamberlin, Troy McKelvey

Also, the UW Industrial Engineeringhas a senior design project (winter/spring quarters). Application to real-life handling (e.g., staff utilization tool). Ideas have been pitched to UW. Present to students tomorrow. Project details to revolve around improvement of budgeting at hatchery facilities (e.g., track spending) with Olympia and hatchery staff being involved. Ryan will be a PSRFEF, along with Denise Dewey, Mark Kimble, Jill Cady for the hatchery program. The team has to present in June and it is a competition. Hopefully, we can build upon it.

| compound in Tropol | composition. Troporally, we can balla aport it. | | | | | | | |
